Terms and Conditions

This purchase order constitutes Purchaser's offer to Seller, and is a binding contract on the terms and conditions set forth herein when it is accepted by Seller either by signature on the acknowledgment copy or the commencement of performance hereunder. This order expressly limits acceptance to the terms of this order and additional or different terms proposed by the seller are rejected unless assented to in writing by the purchaser. No modification or adjustment of the stated price shall be made without the signed written agreement of Purchaser. Delivery shall be strictly in accordance with the delivery schedule set out on this Purchase Order. Purchaser shall have the right to inspect and reject any goods or services which are in Purchaser's judgment defective or non-conforming. Purchaser reserves the right to require replacement or payment of damages which are not apparent on examination.

This is a system generated document. No signature is required.
